With our range of flexible spaces - from a fully equipped conference hall, with projector, screen and flipchart, to small meeting rooms ideal for breakout sessions or one-to-one training - as well as on-site catering, super-fast free WiFi and great IT support, we can deliver your perfect event.

““ We've been running these events for eight years and we've never had a venue as good with staff as friendly. Everyone we came into contact with was really helpful and accommodating. KS people helped and then added 10%. ””

Starting with a warm welcome, our team is here to make sure your day runs as smoothly as possible – whether that's setting up screens and projectors for presentations, getting the sound and lighting just right or making sure your mid-morning coffee and pastries arrive when you need a break. We pride ourselves on going above and beyond.

““ We always get a very warm welcome and fantastic technical support, nothing is too much trouble. ””

By choosing Kala Sangam, you will also be supporting a local arts charity at a time when your help is most needed.
